

2021

Main Residency MATCH Results

Match Day is an important day for each graduating medical student and serves as a focus of celebration for each medical school. Across the United States, medical students simultaneously learn of the locations of the residency programs which they will continue the next phase of their medical training. At the USCOM, we are proud to be able to host an in person Match Day ceremony for the Class of 2021 limited to the students so that each student can honor the tradition of pinning the Match Day map as classes have done in the past. Since families and friends cannot aggregate on campus with students, the event will be livestreamed for families, friends, and the remainder of our USA who typically attend. As in the past, we are extremely proud of our students' successes in securing excellent residency positions. Our students' successes reflect years of hard work on their part and also speak to the quality of the educational training provided to them here in the College of Medicine at the University of South Alabama.

National Data				
	Positions Offered	Total Applicants	U.S. Senior Applicants	U.S. Seniors Who Matched
2017	28,849	43,157	19,030	17,480
2018	30,232	43,909	19,312	17,740
2019	35,185	44,603	19,417	17,763
2020	34,266	44,959	19,781	18,108
2021	35,194	48,700	20,475	18,435
